Mr. Wichai Laocharoenpornkul, Chief Executive Officer, reported to the Meeting that the global economy had recovered in 2023. Consumption and demand for food continued to increase both domestically and internationally. Additionally, there was a positive impact from the amount of raw materials received according to the plan, enabling continuous product delivery. In addition, the Company had expanded its market to include customers in Asia, Australia, and Europe, resulting in improved operating results compared to the previous year. For ready-to-eat products (RTE), new items were introduced to offer more variety and meet the lifestyle needs of consumers. For example, five types of mixed beans, fried sweet potato with sauce and Longan in syrup were introduced. Domestic customers continued to trust the Company's high product standards and consistency in product delivery. As a result, the operating results for 2023 for the Company and its subsidiaries were as follows:

- The total income in 2023 was Baht 3,706 million, marking an increase of Baht 757 million, equivalent to 25.66%, compared to the previous year.

- The net profit for 2023 was Baht 357.4 million, an increase of Baht 232.3 million, equivalent to 185.6%, compared to the previous year.

In addition, the Company continued to focus on strengthening its business and building the foundation for future growth. It had aggressive plans for efficiency improvement projects and capacity expansion and aimed to promote research and development from the procurement of raw materials to the delivery of products to customers. The Company had undertaken the following important projects:

1. Project to improve production efficiency and enhance quality by incorporating innovation and technology into the production process, including the Small Packing Line Size project (RSC model), and enhancing the RM Loading process to expand production to its maximum capacity. This project aimed to manage costs and make the production process more efficient.
2. Project to promote the cultivation of sweet corn using agricultural technology and innovation in collaboration with the Bank for Agriculture and Agricultural Cooperatives (BAAC). This project aimed to connect farmers in a network and encourage them to access suitable sources of capital. The goal was to reduce production costs and create sustainable careers and income for sweet corn farmers.

Furthermore, the Company emphasized the anti-corruption policy. The Company had set guidelines for directors, management, and staff to not request/accept money, or favor or anything, which was beyond the norm accepted for similar business, from any party related to the Company's business. Similarly, the aforesaid people should not give or offer to give money or benefits or gift to related person or company, or relevant government agencies either directly or indirectly except when it is appropriate for traditional practice or festive occasions. The Company believed that conducting business based on ethics, responsibly throughout the supply chain, was an important factor in achieving sustainable success. As the trading partners were the key chains of this success, the Company had expanded the scope of operations through communicating expectations to customers by making a code of conduct and ethical guidelines available to the business partners for them to conduct business in the same way with the Company's operations. Thus, the business partners were requested to comply with the aforesaid code of conduct and ethical guidelines

to ensure sustainable and continuing growth in business cooperation between the Company and its business partners.

Mr. Akeera Kijthanasopha requested shareholders to make any inquiry relating to this agenda item.

Mr. Woraphan Tadabussapa, attending the Meeting as a proxy through electronic means, inquired whether, due to the difficulties in finding Longan in syrup at convenience stores (7-Eleven), the Company planned to distribute more of these products to convenience stores or increase production capacity for these products?

Mr. Wichai Laocharoenpornkul, Chief Executive Officer, stated that Longan in syrup had been launched at the end of 2023. Thereafter, there was high demand of the product from the consumers. Recently, the Company had started to increase the capacity to import the raw materials, which was a crucial factor. In addition, the Company had increased production capabilities. In early 2024, the Company had invested in the project to build a second ready-to-eat product (RTE) production building. The Company believed that with the raw material management and increase in production capacity, the Company would be able to meet the increase in consumer demand.

Mr. Piyapong Presarthong, a shareholder attending the Meeting through electronic means, asked what was the market capitalization (Market Cap) of the year 2023?

Mr. Ongart Kittikhunchai, a director / chairman of the executive committee, stated that the details of the Company's Market Cap were shown in the website of SET. The Company's Market Cap was approximately in the range of Baht 3,000 million, which had fluctuated according to the stock price.

Agenda Item 5 To approve the dividend payments for the Company's operating performance of 2023

The Chairman assigned Mr. Akeera Kijthanasopha to report on this agenda item.

Mr. Akeera Kijthanasopha informed the Meeting that in compliance with the Public Companies Limited Act B.E. 2535, Section 116 and Article 50 of the Company's Articles of Association, the dividends shall not be paid otherwise than out of profits, and in the case where the Company had incurred accumulated loss, no dividends shall be paid. In this regard, the Company had a dividend policy to pay dividends at the rate of not less than 50 percent of the net profits after deduction of income tax and appropriation of all legal reserves.

From the operation performance of 2023, the Company gained a net profit, in accordance with the Company's separate financial statements, in the amount of Baht 357.12 million. The Company deemed appropriate to pay a dividend from the Company's operating performance from the separate financial statements for the fiscal year ended December 31, 2023 at the rate of Baht 0.45 per share, totaling Baht 290,248,841.25, equivalent to 81.27 percent of the net profit after deducting legal reserve from the separate financial statements, which was in accordance with the Company's dividend payment policy.

The Company paid the interim dividend from its operating performance from January 1, 2023 to June 30, 2023 at the rate of Baht 0.10 per share, totaling Baht 64,499,742.50 on November 8, 2023.

The dividend proposed this time at the rate of Baht 0.35 per share, totaling Baht 225,749,098.75, would be paid in form of stock dividend and cash dividend as follows:

- 1) To pay dividend in form of the newly-issued ordinary shares of the Company not exceeding 128,999,485 shares at the par value of Baht 0.50 to the Company's shareholders at the ratio of 5 existing ordinary shares to 1 stock dividend, totaling not exceeding Baht 64,499,742.50, equivalent to the dividend payment at the rate of Baht 0.10 per share. In case there are fractions of shares remaining after the calculation of the stock dividend payment, the dividend payment for such fractional shares shall be made in cash instead of a stock dividend at the rate of Baht 0.10 per share.
- 2) To pay dividend by cash at the rate of Baht 0.25 per share in the amount of Baht 161,249,356.25.

Details of the aforementioned dividend payments at the rate of Baht 0.35 are as follows:

- The dividend payment at the rate of Baht 0.13 would be paid from the tax-exempted profit due to privileges received from the BOI. Thus, the individual shareholders would neither be subject to the withholding tax nor entitled to the tax credit.
- The dividend payment at the rate of Baht 0.22 would be paid from the profit that was not tax-exempted profit according to privileges received from the BOI (Non-BOI).

The date of determination of the list of shareholders entitled to dividends, the record date, would be April 30, 2024, and the dividend payment would be made in May 20, 2024.

The dividend payments in form of the newly-issued ordinary shares of the Company and cash dividend were subject to withholding tax at the rate specified by law, and the company would withhold all withholding tax from the cash dividend.

As the Company's legal reserve had fully met the requirements under applicable laws and the Company's Articles of Association, the Company was not required to appropriate its 2023 net profit as a legal reserve.

Mr. Akeera Kijthanasopha requested shareholders to make any inquiry relating to this agenda item prior to voting.

Mr.Arthorn Jiamdenngam, attending the Meeting as a proxy, stated that in the previous two years, the Company had paid the dividend at the ratio of 2 existing ordinary shares to 1 stock dividend, when the value of the Company's share at that time was at Baht 10. At the present, its share value had decreased because of the dilution effect. This year, the Company would pay the dividend at the ratio of 5 existing ordinary shares to 1 stock dividend, which would create the dilution effect once again. Because of this form of payment, the Company would not be able to use the money, and there was an increase in the number of shares. The executive's directors had to work hard to make higher earnings per share. Therefore, the Company should better pay the dividend in cash. He further suggested that that stock dividends should not be paid. If it were necessary to use the money, the Company should sell shares to existing shareholders by Right Offering (RO), and the Company thus could use the money to continue managing the business.

Mr, Pichai Kojamitr, the Chairman, acknowledged the suggestion of the shareholder.

As there were no other questions or comments, it was proposed that the Meeting vote to approve the dividend payments for the Company's operating performance of 2023. In this regard, this agenda item required a majority vote of the shareholders who attended the Meeting and cast their votes, excluding abstentions.

Agenda Item 10 To appoint directors to replace those due to complete their terms

The Chairman assigned Mr. Akeera Kijthanasopha to report on this agenda item.

Mr. Akeera Kijthanasopha informed the Meeting that in compliance with the Public Companies Limited Act B.E. 2535 and Article 18 of the Company's Articles of Association, at least one-third (1/3) of the total members of the directors had to retire by rotation and could be re-elected for another term. At the Annual General Meeting of Shareholders of 2024, 3 directors who were due to complete their terms were as follows:

- | | |
|---------------------------------|---|
| 1) Miss Morakot Kittikhunchai | Vice Chairman of the Board of Directors /
Member of the Executive Committee |
| 2) Mrs. Jiraporn Kittikhunchai | Director / Member of the Executive Committee /
Member of Risk Management and Sustainability
Committee |
| 3) Mrs. Suraporn Prasatngamloet | Director / Member of the Executive Committee |

The Company had invited shareholders to nominate candidates to be elected as the Company's directors in advance via the Company's website, www.sunsweetthai.com, during November 1, 2023 to December 31, 2023. However, upon the due date, no shareholders nominated any qualified persons for election as directors.

For a purpose of transparency and corporate governance, Mr. Akeera Kijthanasopha invited the 3 directors, who were due to retire by rotation, to leave the Meeting to allow the shareholders to discuss and vote freely.

The Moderator further informed the Meeting that the Nomination and Remuneration Committee undertook the nomination process by duly considering the composition of the Board (Board Skill Matrix) to ensure that qualification, knowledge, experience, and expertise of the directors were appropriate for the utmost benefit of the Company's business operations. The Nomination and Remuneration Committee (excluding directors with related interests) proposed to approve re-election of the 3 directors due to complete their terms in 2024 to retain their office for another term as follows:

The details of work experience, shareholding ratio and other personal information of the aforesaid directors, were as shown in the Invitation to the Meeting on page 35-37.

The Board of Directors (exclusive of the directors with interests on this matter) had considered that the nominated persons had passed the scrutiny process of the Nomination and Remuneration Committee that they were qualified for the Company's business operations. Therefore, it was appropriate to approve the appointment of 3 directors who would retire by rotation to be re-elected as directors and other positions for another term.

Mr. Akeera Kijthanasopha requested shareholders to make any inquiry relating to this agenda item prior to voting.

Mr. Arthorn Jiamdenngam, attending the Meeting as a proxy, inquired that how many consecutive terms the retiring directors have served.

Mr. Chatiporn Baramee, a legal advisor, stated that the Articles of Association of the Company did not stipulate a maximum term for serving as a director. However, Corporate Governance (CG) prescribed that an independent director should not serve more than 9 years, for transparency, unless the Company had considered it appropriate based on rationale and necessity that the directors who had completed their terms

of 9 years were complying with the qualifications and were suitable to return to their terms. For instance, they were able to provide suggestion and policies that were useful in the management of the Company.

As there were no further questions or comments, it was proposed that the Meeting vote to appoint directors to replace those due to complete their terms. In this regard, this agenda item required a majority vote of the shareholders who attended the Meeting and cast their votes, excluding the abstention. The appointment would be made individually.
